Why FixCraft VP Prices Are Higher — What You're Paying For

Licensed & Insured

All work is performed by licensed professionals carrying full liability insurance and workers' compensation, protecting you from any unexpected costs.

Written Guarantee

Every job comes with a written satisfaction guarantee. If something isn't right, we come back and fix it — no questions asked, no extra charge.

Quality Materials

We use only professional-grade materials and tools. No corner-cutting or budget substitutes that fail prematurely and cost more in the long run.

Experienced Team

Our craftsmen average 10+ years in the trade. Experience means faster, cleaner work — and fewer callbacks or surprises on your final invoice.

Transparent Pricing

You see the full price before work begins. No hidden fees, no surprise add-ons. The estimate you sign is the price you pay.

Local & Reliable

Charlotte-based, serving the community since day one. On-time arrival, clean worksite, and a team that cares about neighborhood reputation.

Notes: Prices shown are estimates based on standard scope of work. Final pricing depends on project complexity, material choices, and site conditions. Market averages sourced from HomeAdvisor, Angi, and local Charlotte

contractor surveys (Q1 2026). Minimum service call: $85. Travel outside Charlotte metro may incur an additional fee. All prices in USD and do not include materials unless noted.
